PROFILE

To acquire valuable knowledge and skills in the field of 2D and 3D Animation to complement those that I have learned from school, companies I've worked, and my supervisors. In return, I offer my service and determination to be an asset to your company. Looking for an opportunity to utilize my strengths to build my career that would intrinsically help me in achieving greater practical excellence in the technical domain, exceptional hardworking nature along with good communication skills to explore the requirements and come up with innovative solutions.

WORK EXPERIENCE

3D Animator February 2023 - May 2023
Start Animation Company
Jem Building, Pasig City

- Developed computer graphics and 3D animations based on a detailed design brief
- Collaborate with fellow animators using software such as 3ds Max and Blender application to deliver a robust final animation
- Visualize 3D iterations of two-dimensional storyboards and artwork
- Ensure projects are completed promptly and are of high quality
- QA design for errors
- 3D modelling, 3D editing, 3D rendering, 3D rigging, and 3D asset creation
- Video editing and sound editing

3D Animator August 2022 - February 2023
HPL Game Design Corp.
Visayas Avenue, Quezon City

- Works closely with 3D artists, leads and the animation supervisor to ensure the clients' requirements are met
- Works under guidance of the senior 3D artists to grow and develop the business, as well as implement working methodologies, manage large projects, and coordinate the visual effects output and quality control
- Meets deadlines and requirements set by production schedule
- Work with digital design tools to create 3D animated assets
- 3D modelling, 3D editing, 3D rendering, 3D rigging, and 3D asset creation
